

THANK YOU ---Due November 21, 2016

Create a 1:30-2:00 minute video telling the audience what you are thankful for. The video can be a variety of people, places, pets, etc. or you can send a visual thank you to a specific person.

#### REQUIREMENTS

- Voice recording or direct message into the camera.
- Self-shot b-roll
- At least 6 camera angles.
- Use a tripod when appropriate.
- At least 4 title slides
- No Jump cuts
- No Black frames that are not intentional
- If photos are used, they take up the entire screen or use photo behind to layer.
- Photos have movement
- An intro and exit slide
- No shaky zoom ins
- Transitions flow and do not distract (consistency)
- Appropriate music
- Music
- Audio levels don't exceed -6
- Music does not overpower voice track.
- Video is edited with music.
- The assignment is taken serious. Can have a light tone, but is not sarcastic or snarky.
- Efficiently use class time.
